Re imp the classification lately of Outlet Bungalows &c

Lr 62

No Comm's proposal to raise the Steward of the Sanitarium Bungalow to 2nd Class and to reduce the Lingadahalli Bungalow to 3rd Class may be sanctioned—

The Comm's proposal to reduce the Sagar Bungalow from 1st to 2nd Class may also be sanctioned — The Comm does not state how he would dispose of the Crockery, Cutlery, Furniture in the Bungalows which are in excess of the standard fixed for 2nd Class Bungalow — Last year certain articles required to complete the Steward fixed for 1st Class Bungalow were supplied to the Sagar Bungalow.

General No. 209 } 1879-80
D.P.W. No. 13

Has the honor to forward for the Chief Commissioner's information, copy of the Nagar Deputy Commissioner's No 237 dated 14th Instant, and under the circumstances reported recommends the transfer of the crockery now in the Lingadahalli Bungalow to the Bungalow at Sanlavera, and the changes being made will be in the classes to which they belong: the former bungalow being reduced to the 3d. Class and the latter raised to the 2d.

2. I trails himself also of this opportunity to recommend that the Sagar Bungalow be reduced from the 1st to the 2nd class as the number of travellers availing themselves of it is very few and the accommodation provided is inferior.

Sir,

I have the honor to bring to your notice that the Santaveri Bungalow which is half way between this place and Tarikere is a 3d. Class Bungalow while Lingadahalli 8 miles from Tarikere is a 2d. Class one

2 Santaveri being midway is by far a better place for a 2d. Class Bungalow than Lingadahalli which is 8 miles from Santaveri as the one side and 8 miles from Tarikere (also a 2d. Class Bungalow) on the other -

3. I therefore recommend that the Meat and Water man and the Crockery and glass ware &c now at Lingadahalli be removed

to Scandaveri and that the former be reduced to the status of a 3d. class Bungalow and the latter raised to the position of a 2d. class one which can be done without any additional cost to Government.

Have &c.

Sir I have the honor to bring to your notice that Mudagere the head Quarters of a Taluk in which there are a large number of Coffee planters, is without a Travellers Bungalow, although owners of Estates paying about Rs 600 to Government have repeatedly to come in there on business.

On the other hand Santawari on the Chickamagalore Tarikere road, a road comparatively seldom used by European Travellers has a second class bungalow.

There is a building suitable for a Travellers Bungalow at Mudagere, which was formerly a D. P. W. Lodge. I should recommend that the Establishment from Santawar should be transferred to this building, which is in every way suitable and is, indeed, now used as a halting place, and a 2nd Class bungalow established.

The Government will be put to no expense but will derive profit from the fees while the arrangement will be a great convenience to the public

In reply to Secretary's No. 2492/27 dated 5th instant, inquiring if the P. W. Department will be put to inconvenience by giving up the P.W. Departmt. Lodge at Midgiri, for a 2nd Class Traveller's Bungalow, informs that there is no objection to the building being utilized in the manner proposed. This arrangement has already been suggested by Mr. Groves late Executive Engineer Hadur Division, with the difference that the building should be made a 1st Class Traveller's Bungalow, it being

"at the Hd Quarters of an important Talook with very many European Coffee Planters, considerably on the increase Annually, and who resort there for publick business."
